

### **Last Chance Handgunners Range Rules**

By entering these premises you agree to abide by these rules:

- *Members (and their guests) only*
- *Ensure gate is locked at all times (unless there is an ongoing board approved event)*
- *No alcohol or drugs at any time*
- *This is a COLD range, keep every weapon unloaded unless on the firing line*
- *Ensure personnel, wildlife, and livestock are clear of downrange before firing*
- *Building use is restricted to those requiring access for matches and any other board authorized event*
- *Props are to be used for matches only*
- *Clean up after yourself - do not leave used targets or trash on the range*
- *Proper safety equipment use by shooters and spectators is required at all times*
- *Plate racks are for pistol use only - rifle ammunition is not to be used on them*
- *The usage of tracer or armor piercing ammunition are not allowed at any time*
- *Board approved events and matches have priority – please check the calendar on the website to avoid conflict*
- *All shooting in bays must be done from within the berms. No shooting from roadway.*
- *Any violation of these rules is grounds for revocation of membership to the range. Negligent destruction of LCHG property will be prosecuted.*
